## ABOUT

Our firm is licensed to operate in the Jordanian and Saudi Arabian markets under the name Leaders Contracting Company for Multi Construction Enterprises.

Leaders CCO, established in 2013, is a distinguished construction company specializing in infrastructure projects and building construction. Our firm is licensed to operate in the Jordanian and Saudi Arabian markets under the name Leaders Contracting Company for Multi Construction Enterprises.

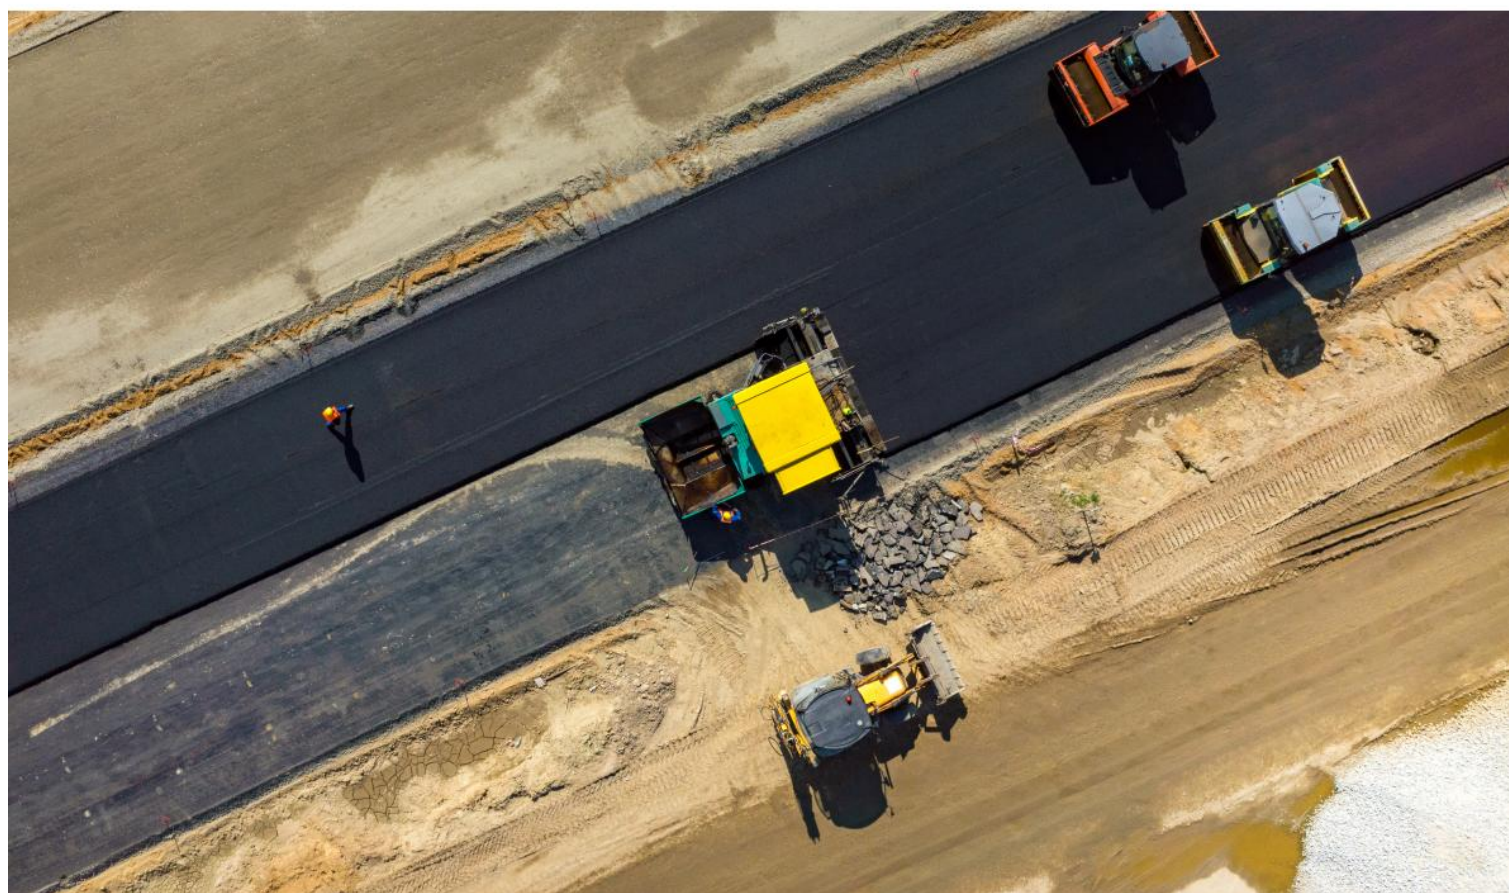

We take immense pride in our commitment to excellence, customer satisfaction, and safety. Over the years, we have consistently delivered superior construction services that surpass our clients' expectations. Our team of experts is dedicated to ensuring each project's success by adhering to strict timelines, budgetary constraints, and the highest standards of quality and craftsmanship.

Our approach integrates Quality, Environmental, Occupational Health, and Safety management systems to enhance overall performance and prioritize safety across all operations. We operate in compliance with all statutory requirements and implement best practices to prevent work-related injuries, while also emphasizing environmentally friendly practices.

At Leaders CCO, our mission is to transform concepts into tangible realities, making us your trusted partner for comprehensive construction solutions.

### OUR BRANCHES

1. Jordan Office - Basem Building #67 Yajooz Street, Amman - Jordan
2. Saudi Arabia Office - 4601 King Fahad Road, 7668, Tabouk - Saudi Arabia

## OUR CORE VALUES

### 1 Mission

Our mission at Leaders CCO is deeply rooted in our commitment to providing our clients with the highest level of construction services. We strive to go above and beyond expectations, delivering projects that not only meet but exceed standards of excellence. Central to our mission is the cultivation of lasting relationships built on the core values of trust and transparency. We believe that by upholding these principles in every aspect of our work, we can consistently deliver exceptional results and earn the trust and loyalty of our clients for years to come.

### 2 Vision

At Leaders CCO, we envision being acknowledged as the foremost construction company, renowned for our delivery of innovative, sustainable, and high-quality projects that enhance the communities we serve.

### 3 Sustainability

At Leaders CCO, we take our responsibility towards building a sustainable future seriously. We firmly believe that construction should be environmentally responsible, and we actively work towards minimizing our impact on the environment. Our commitment to sustainability is reflected in several key practices:

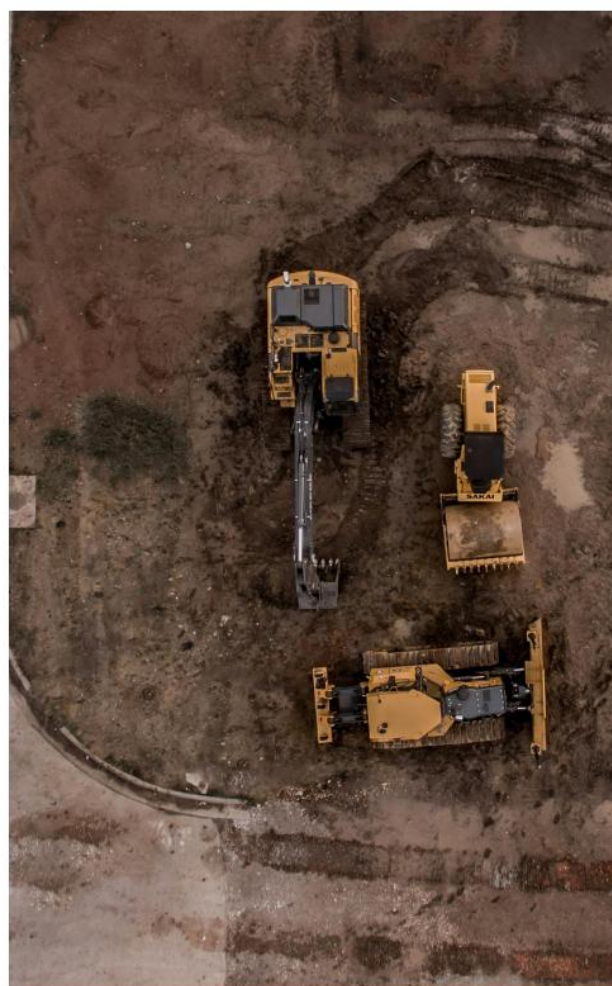

**Eco-Friendly Materials:** We prioritize the use of sustainable and eco-friendly materials in our projects, reducing the environmental footprint of our construction activities.

**Waste Reduction:** We employ strategies to minimize waste generation during construction, promoting efficient use of resources and responsible waste management practices.

**Energy-Efficient Systems:** We integrate energy-efficient systems and technologies into our projects, such as renewable energy sources and energy-efficient building designs, to reduce energy consumption and lower carbon emissions.

**Environmental Compliance:** We adhere to all environmental regulations and standards, ensuring that our projects meet or exceed environmental requirements set by governing bodies.

By embracing sustainable practices, we not only contribute to environmental conservation but also create healthier and more resilient communities for future generations. At Leaders CCO, sustainability is not just a goal but a fundamental principle that guides our actions towards a better, greener future.

## EXPERIENCE AND QUALITY

At Leaders CCO, we bring extensive experience and deep industry insights to every project, ensuring exceptional results. Our commitment to utilizing advanced techniques and continuous innovation sets us apart in the construction industry. Quality and excellence are at the core of our operations, driven by rigorous standards and comprehensive training.

### Experience and Insights

Extensive experience across a wide spectrum of projects, providing invaluable insights into the construction industry's intricacies.

### Techniques and Technologies

Proficient in the latest construction methodologies, techniques, and technologies, ensuring cutting-edge solutions.

### Continuous Learning

Dedicated to continuous learning and innovation, exploring new avenues to enhance services and exceed expectations.

### Quality at the Core

Quality ingrained in our ethos, guiding every aspect of operations with meticulous selection of top-quality materials and state-of-the-art equipment.

### Comprehensive Training

Team undergoes comprehensive training in cutting-edge techniques and adheres to industry best practices for optimal results.

### Rigorous Quality Control

Robust quality control processes ensure rigorous scrutiny of every project, meeting stringent standards of excellence.

## SERVICES

Leaders contracting company prides itself on offering a comprehensive range of construction services tailored to meet diverse needs:

### Road and Highway Construction

We're a dedicated team of road and highway construction professionals specializing in creating and maintaining essential transportation infrastructure.

### Utility Infrastructure

Utility infrastructure encompasses the unseen network of pipes, cables, and systems that provide essential services to our homes, businesses, and communities.

### Utility Infrastructure

Facilitating the growth and efficiency of industrial sectors.

### Urban Development

Urban development encompasses the planning, design, and construction of cities and towns, aiming to create livable, sustainable, and prosperous communities.

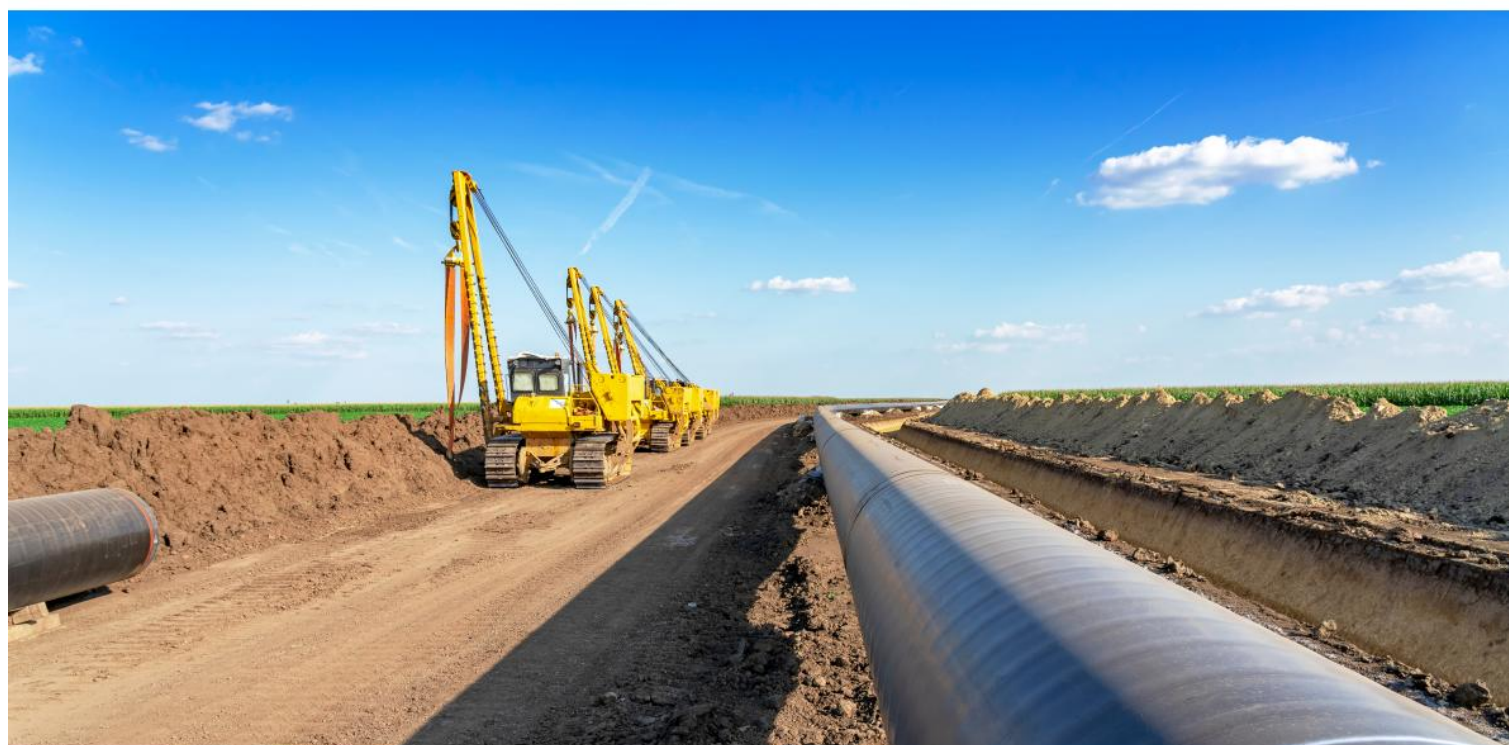

### Heavy Civil Construction

Heavy civil construction shapes our world by building and maintaining highways, bridges, tunnels, and dams, supporting essential services.

### Renovation and Remodeling

Our renovation and remodeling services unlock your space's potential. We collaborate to turn your vision into a functional, beautiful, and personalized environment.

## PROJECTS

At Leaders CCO, our extensive project experience gives us invaluable insights into the construction industry's intricacies. Our team deeply understands construction methodologies and is proficient in the latest techniques and technologies. We are dedicated to continuous learning and innovation, constantly exploring new ways to enhance our services and deliver exceptional results that surpass expectations.

## OUR SAUDI ARABIA BRANCH

Leaders CCO, established in 2013, is proud to announce the opening of our new branch in Saudi Arabia, named KADA WAQIADA For Contracting. This expansion marks a significant milestone in our journey, allowing us to serve the dynamic and burgeoning Saudi market more effectively.

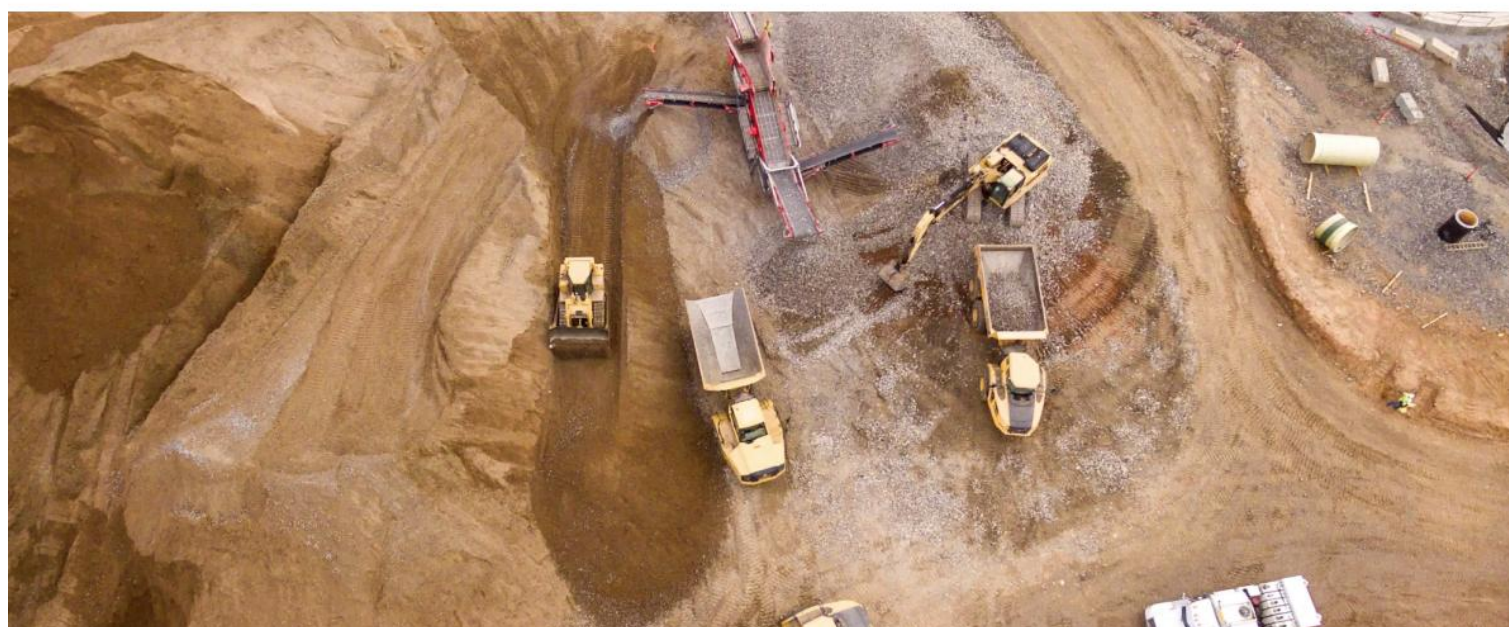

As a distinguished construction company specializing in infrastructure projects and building construction, Leaders CCO is committed to excellence, customer satisfaction, and safety. Licensed to operate in both the Jordanian and Saudi Arabian markets under the name Leaders Contracting Company for Multi Construction Enterprises, our new branch, KADA WAQIADA For Contracting, highlights our dedication to delivering superior construction services in one of the largest markets in the region.

The Saudi Arabian market presents immense opportunities, and we are excited to bring our expertise and high standards to this vibrant economy. Our team of experts is ready to meet the unique demands of the Saudi market, adhering to the highest standards of quality and craftsmanship. We ensure each project is completed on time, within budget, and to the utmost satisfaction of our clients.

At Leaders CCO, we integrate Quality, Environmental, Occupational Health, and Safety management systems into our operations. This approach enhances performance and ensures safety across all projects. In our new Saudi branch, KADA WAQIADA For Contracting, we will comply with all statutory requirements and implement best practices to prevent work-related injuries, while prioritizing environmentally friendly practices.

Our mission remains steadfast: to transform concepts into tangible realities. With KADA WAQIADA For Contracting in Saudi Arabia, Leaders CCO is ready to be your trusted partner for comprehensive construction solutions in this expansive and thriving market. We look forward to contributing to Saudi Arabia's growth and development with the same commitment to excellence that has defined us since our inception.
